

Planning for Civility in Your Large Course

Examples of incivilities	General best practices	Customized best practices for your course
Lack of student interest and participation	Find out what students know	
Coming to class unprepared Demanding make-up exams/extensions Arriving late/leaving early	Clearly communicate expectations early	
Instructor appears distant/uncaring	Be accessible to students	
	Get to know students	
	Find out how the course is going for students (class pulse)
